Providers

There are 264 providers delivering in the Wiltshire area based on delivery postcodes. However, the number of providers that enrolled 200 or more learners was 18 in 2008/09 and 21 in 2009/10. In total, these providers accounted for 91% of all enrolments in 2008/09 and 91.5% in 2009/10.

The following table shows those providers with the largest numbers of enrolments for 2008/09 and 2009/10.

For the period 2008/09, 43,820 enrolments were produced by six organisations, 83% of the total enrolments for providers in the Wiltshire area, and these same six organisations produced slightly fewer (82%) for 2009/10. It is interesting to note that Wiltshire College alone accounted for 67.5% of all enrolments in Wiltshire in 2008/09 and 66.5% in 2009/10.

The table below outlines those **private sector publicly-funded providers** with the largest numbers of enrolments.

A4E has shown a substantial increase in enrolments from 2008/09 to 2009/10, which may be due to a number of regional contracts such as ESP, but it does demonstrate that they are an active private provider within this area.

Specialist Colleges include those involved in Agriculture, Horticulture, Art, Design, etc.
