Information Note:

The Final Regional Funding Advice was agreed and submitted to the Regional Minister, Ben Bradshaw on 28 February 2009 and can now be downloaded at www.southwest-rfa.info. Supporting evidence, with links to all documents mentioned in the Advice, can be found on the evidence base page of this site.

The Advice was considered by the Regional Assembly Executive Committee, the Strategic Leaders' Board and the RDA Board during February and final amendments agreed before submission to the Regional Minister.

The completed document will be reviewed by Government over the next few months and a final response provided before the summer recess. If you have any questions about the RFA process, please contact Emma Fraser at emma.fraser@southwestrda.org.uk.
