

SOUTH WEST REGIONAL EMPLOYMENT AND SKILLS PARTNERSHIP

PERFORMANCE MONITORING GROUP

Terms of Reference

Membership of the Group includes key strategic partners in the region including: LSC, SWRDA, JC+, HEFCE, GOSW, RESP and SSDA.

The role of the group is to:

- Advise on the development of the indicators contained within the Framework
- Advise on the availability and appropriate use of data
- Support the analysis of the data
- Support the development of accompanying narrative reports which explain underlying trends in the data
- Identify gaps in knowledge and data and propose qualitative or quantitative research projects to plug these gaps.
- Raise with the appropriate Standing Group or body trends or items of concern and to report as appropriate to the Board.

It is anticipated that the group will meet six-monthly, in advance of the RESP Board meetings. Meetings may take place virtually where appropriate.
